

**PRODUCT CODE: CCD-DUAL170**

**BARCODE: 9332820007961**

**DESCRIPTION: CCD 170° Butterfly/Flush Mount Mini Camera**

The CCD-DUAL170 is a versatile CCD micro camera supplied with 2 heads to allow for a choice of mounting options. The butterfly mount is used to screw to number plates or under tailgate handles while the spare head allows you to flush mount into the bumper. High resolution sensor with 750 TV lines and 976 x 592 pixels. The camera cable connects via a mini plug to allow threading through small drill holes. Camera to monitor plug is universal RCA to suit any monitor.
