

**PRODUCT CODE: CK-506W**

**BARCODE: 9332820009293**

**DESCRIPTION: 2.4GHz Wireless Camera & Monitor Kit**

With plenty of range, even for trucks, the CK-506W wireless monitor and camera kit makes installation so simple. The only part that needs wiring to a power source is the camera. The monitor is supplied with a 12v cigarette lighter style adapter. Perfect for trailers too, as there is no need to thread wires from the front of the vehicle to the rear of the trailer. The wireless range has been tested with a line of sight and no obstruction of over 100m, 50m range is most realistic through steel structure like a vehicle's body work. The 2.4GHz transmitter and receiver provides heaps of range with no interference.
