

PRODUCT CODE

CP-71-DV (VOM-954DV + 2 x NHP-2AB)

PRODUCT DESCRIPTION

Fully motorized overhead 9.5" monitor with DVD player & Folding Infra-red Wireless Headphones (Stereo)

COLOUR

Grey

NARRATIVE

This fully motorised 9.5" SHARP widescreen LCD, features a childproof ratchet to avoid damage. The brightness, view angle and low reflective screen is the best on the market. The ultra slim profile hides the inbuilt multi channel FM transmitter, wireless headphone sender and built in dome lights. The multi region, vacuum side-load DVD player is the ever reliable Korean made DVS loader, to provide years of trouble free operation. Of course it plays MP3, CD, VCD, CD RW, DVD. The screen drops down automatically and comes with a 3 year warranty.
