### **PRODUCT DESCRIPTION:**

Tablet headrest holder (Holds 7" to 10" Tablets)

#### NARRATIVE

This car headrest mount is a versatile all In One Mount Holder that holds 7" to 10" tablets in car. Quickly and securely mounts to the back of your front seat, turning your device into a large screen rear-seat in-car entertainment system. Great for keeping the kids occupied during those long trips. Custom fit design allows access to music, videos, images, email, internet, GPS navigation & other applications. Easily adjustable mounting arms so you can adjust to optimal viewing angle. Easy to install (because there is no wiring involved, as it uses your internal battery) and convenient to use.
