PRODUCT DESCRIPTION: Headrest Mount 9" DVD Player with USB & SD Reader

NARRATIVE

This amazing kit includes a pair of headrest mount DVD/USB/SD Card Players, each with a high resolution Digital LCD 9" wide screen monitor. The headrest pole mounts allow for screen/player tilting without having to disturb the position of the headrest itself. Individual players allow each passenger to watch a different movie on their screen or they can pick up the feed from the other headrest. The NSHT-9 also has built in FM transmitters to send the audio to the car radio wirelessly and individual IR transmitters for use with the NHP-2AB wireless headphones (included). Each player also comes with its own remote which also doubles as a gamepad for playing video games from the included games disc.
