

PRODUCT CODE: NSR-NAV430R

BARCODES: 9332820004434

PRODUCT DESCRIPTION

4.3" GPS, Bluetooth, Touch Screen, Rear Camera Mirror Monitor (Replacement mount)

NARRATIVE

The NSR-NAV430R offers the latest generation technologies in a modern OEM style replacement rear view mirror. The built in GPS navigation is WIN CE 5.0 based, allowing the use of aftermarket maps, including topographical maps, or it can be supplied with our map card ready to go.

The 4.3" LCD widescreen display can not only play back navigation information but can also handle MP3/MP4 playback via the SD/MMC card slot.

The NSR-NAV430R has built in speaker & 2 x AV inputs, 1 of which will trigger on when you select reverse gear.
