PRODUCT CODE: NAVIBOX-2　　　　　　**BARCODE:**

PRODUCT DESCRIPTION: Plug-n-play Navigation module with Navteq map

NARRATIVE

A fantastic plug in addition to the NSD-698NB and NSD-759NB in-dash multi-media units, the NAVIBOX-2 adds another dimension to the capabilities of these models. Full touch screen controlled NAVTEQ powered navigation is at your fingertips with connection via a single cable in this compact, hide-away unit. Includes latest Navteq maps including speed cameras, Points-Of-Interest, Turn by Turn instructions and auto day/night illumination.
