PRODUCT DESCRIPTION

Roof Mount 9.2" TFT-LCD Colour Display with DVD Player

NARRATIVE

This unit boasts 9.2" widescreen, IR headphone and FM transmitter, allowing stand alone operation with audio either through the car radio system or headphones, leaving the driver undistracted. Formats played include DVD, MP3, VCD & CD in either PAL or NTSC. The slim, modern design makes this unit ideal for virtually any vehicle. The 9.2" widescreen is high spec and perfectly suited to viewing DVD's in a mobile environment.
