

# Premium Quality 1080p Heavy Duty Camera

## ECC-350AHD

When the application demands the strongest, most robust camera available, insist on the ECC-350AHD. The curved glass design is stronger and better able to deflect object strikes as well as resist the build-up of dirt and grime. The 1/3" CMOS colour waterproof colour camera offers an extra wide field of view of 150°, Full HD 1080p resolution, is vandal resistant, waterproof to IP69k and has a simple normal/mirror image switching system. Supplied with a 4-pin connector and RCA adaptor this top of the range camera is suitable for any application.

The ECC-350AHD-6M includes a 6m cable. 20m cable version available.
