## PRODUCT DESCRIPTION

High Quality 1/3" wide view colour CCD camera

## NARRATIVE

When the application demands the strongest, most robust camera available, insist on the ECC-350NTSC. The curved glass design is stronger & better able to deflect object strikes as well as resist the buildup of dirt & grime. The 1/3" CCD colour waterproof colour camera offers an extra wide field of view, is vandal resistant, waterproof to IP69k & has a simple normal/mirror image switching system. Supplied with a mini-DIN connector & RCA adaptor this top of the range camera is suitable for any application.
