PRODUCT DESCRIPTION: MediaFlair™ Personal Media On-The-Go!

NARRATIVE

MediaFlair™ is an exciting new way to listen, watch and share your media. Using the power and simplicity of WiFi, MediaFlair™ streams your personal content to your favorite smartphone or tablet using our free and easy to use app.

Simply load your music, movies, photos and documents onto the included SD card, plug it into your MediaFlair™ and take it with you. It's perfect for road trips with the kids, business travel and tailgating with friends and family.

It's small, lightweight and provides up to 4 hours* of use on a single charge. Plus, multiple people can watch or listen to any file that's on your SD card at the same time. **Playback time will depend on number of users and the resolution of the content.*

Personal Media On-The-Go! MediaFlair™ by ESCORT includes: 8GB SD card, 12v power adapter and Micro USB to Standard USB cable.
