

ESCORT®

X80

X80 | Long Range Radar
Laser Detector

Long-Range Protection

Early warning and fastest response on all radar bands including conventional K-band and Ka-band. Multiple high-performance laser sensors provide maximum laser warning and off-axis protection

Multi-Colour OLED Display

Intuitively displays type and strength of each threat along with your vehicle speed (when connected to Escort Live) to help you make the best possible decision for each threat

Crystal Clear Voice Alerts

Unique voice alerts provide clear communications for alerts and menu options and allow driver to focus on the road without unnecessary distractions

ESCORT Live™

Connect to the ESCORT Live app on your smartphone and use Bluetooth® to sync your radar detector for crowd-sourced alerts of mobile camera and police locations as well as access to the Escort database of fixed speed cameras and red light cameras

Multicolor OLED Display

ESCORT Live App Provides Crowd Sourced Alerts

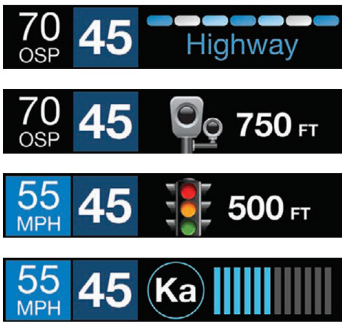

Excellent Radar/Laser Detection Range

Features

Benefits

EXCELLENT TICKET PROTECTION	
Long-Range Detection	Superior sensitivity on all conventional and instant-on radar bands plus maximum laser range and off-axis coverage.
Fastest Response	ESCORT's standard DSP technology and multiple laser sensors provide earliest warning of speed-monitoring threats.
App Compatible	Built-in Bluetooth to connect to the ESCORT Live™ app for real-time, crowd-sourced speed trap information and fixed camera database*.
Web Ready	Update your X80 with software revisions using the USB port and our EscortRadar.com website.
ADVANCED COMMUNICATION	
Multi-Colour OLED Display	Intuitively displays type and strength of each threat along with your vehicle speed* to help you make the best possible driving decisions.
Crystal Clear Voice Alerts	Simple and customizable voice alerts provide clear communications for alerts and menu options, allowing driver to focus on the road.
Dual-Language	Choose English or Spanish text and voice alerts.
FULLY EQUIPPED	
EasyMount™	ESCORT X80's EasyMount windshield bracket is designed for unobtrusive and hassle-free mounting.
SmartCord	Premium power cord features a remote power LED, alert LED, and Mute button.
Travel Case	Perfect for storing and carrying your ESCORT X80 and all accessories.
Quick Reference Guide	Includes simple steps for out-of-the box use plus instructions for custom settings and software updates.

* Must be paired with ESCORT Live app to receive vehicle speed and camera warnings alerts
