

15.6" Roof Mount DVD Player with HDMI, SD card, USB

Featuring a TFT-LCD flip-down monitor, built-in DVD player, and a brilliant Full HD 1920 x 1080 screen. Designed with the latest media technology in mind, you can enjoy a wide array of entertainment on its high-resolution monitor from almost any source. The NSC-1506 is compatible with Full HD 1080p media files either from the USB, SD card or HDMI.

The monitor flips away when not in use and has built-in dome lighting for illumination and is equipped with RCA stereo audio output for system expansion. The built-in IR transmitter can be used with wireless IR headphones. Available in black only.
