

PRODUCT CODE: NSC-156

BARCODE: 9332820005059

PRODUCT DESCRIPTION:

NEW UPDATED MODEL - 15" Widescreen Roofmount LCD Monitor with DVD Player and USB input – Full HD 1080p Media Compatible. HDMI and MHL

The NSC-156 ceiling combo is perfect for motorhomes & truck sleepers & features a huge 15inch TFT-LCD flip-down monitor, built-in DVD player, and a brilliant 1366 x 768 screen resolution. Designed with the latest media technology in mind, you can enjoy a wide array of entertainment on its high-resolution monitor from almost any source. The new updated NSC-156 is now compatible with Full HD 1080p media files either from the USB, DVD/CD, HDMI or MHL - The ability to "mirror" your Android device so you can stream movies, play games or view apps from your phone or tablet (optional cable or Wi-Fi dongle required). The monitor flips away when not in use & has built-in dome lighting for illumination and is equipped with RCA stereo audio output for system expansion. The built-in IR transmitter can be used with wireless IR headphones.
