**BARCODE: 9332820003901**

**PRODUCT DESCRIPTION**

7" Commercial Grade Quad Monitor with DVR

**NARRATIVE**

The NSM-7450DVR is a commercial grade 7" screen in a metal body which records to SD from up to 4 cameras, each with an individual trigger wire.

This versatile unit allows for customised recording modes from 1 to 4 cameras & will even supply 12v to the cameras when in a 24v vehicle.
