### PRODUCT DESCRIPTION

4.3" Replacement Rearview Mirror Monitor with Auto Dimming

### NARRATIVE

The NSR-43LAD is a replacement mirror monitor with a built in 4.3" LCD monitor. In normal use the mirror looks standard until the car is placed in reverse & the image appears. The mirror also has Auto-Dimming to automatically reduce glare when driving at night. 2 inputs allows for multiple cameras or RCA sources to connect. Select from our range of cameras or purchase this in a kit with the micro CCD butterfly mount camera.
