PRODUCT DESCRIPTION

12" Wide Motorised Overhead Monitor with DVD Player

NARRATIVE

Upgrade your family to first class on your next road trip with the latest NESA VOM-1200DV. Sporting a 12 inch fully motorised drop-down TFT LCD, it comes with an integrated DVD player along with multiple inputs so you can hook up game systems and more! This overhead mount TFT-LCD monitor plays host to a panoply of entertainment options, from DVD, DVD-R, CD, VCD, MP3 and MP4 support via the built-in DVD player. The wireless remote allows easy settings adjustments at a distance.
